CHOWAN COLLEGE

Murfreesboro, North Carolina

1980-1981

Volume XXXVIII

Chowanoka Dedication

It is quite appropriate that the 1980-81 Chowanoka be dedicated to a woman who has shown so much dedication to this college during the years of her employment. She carried out the responsibilities of her position most successfully. In doing so, she won the love, admiration and respect of those around her. This remarkable lady is Mrs. Marcella Coburn, former head resident of Belk Dorm.

Mrs. Coburn's approach to life is a prime example of the Christian principles for which Chowan College stands. She revealed her Christian nature in the way she handled her job and herself. She displayed tact and good judgment in correcting any problems which occurred in the dorm. She is kind, understanding and a pleasant person to be around.

Mrs. Coburn is well loved by all the girls in her dorm. She became their "Mother" away from home. She was the person the girls knew they could rely on. Also, many of the guys developed a close personal relationship with her.

The students of Chowan College wish to convey to Mrs. Coburn the knowledge that the dedication of this yearbook is but a token of their appreciation for the services she rendered to them in the past years.

Marcella Coburn

Graduation 1980

Commencement exercises for the class of 1980 were dampened by rainy weather. The speaker for the graduation exercises in McDowell Columns was Dr. Cecil A. Ray, general secretary-treasurer of the Baptist State Convention of North Carolina. Speaker for the Baccalaureate Service was Dr. W. Randall Lolley, president of the Southern Baptist Theological Seminary.

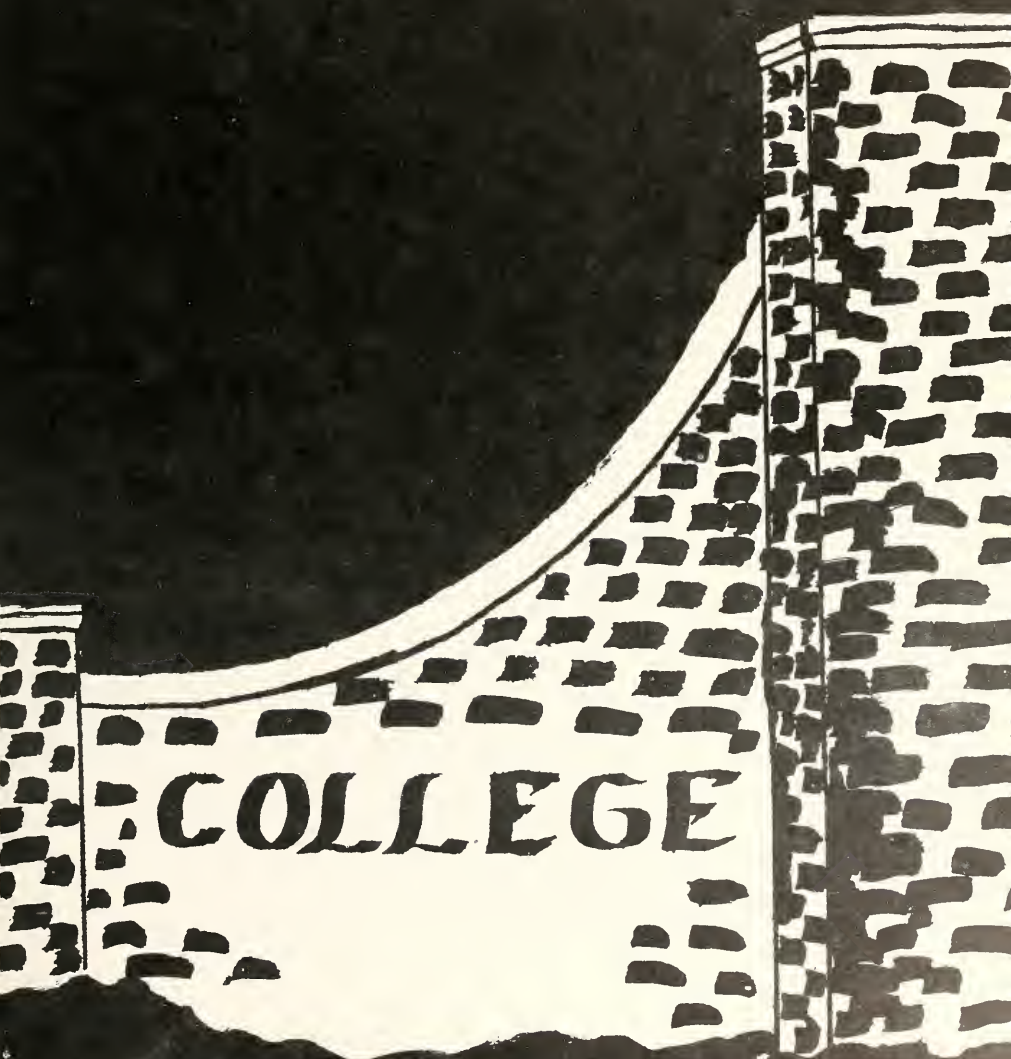

Commencement marshals were William F. Thweatt, Chief; Judy Carol Belch, Teresa Ann Moseley, Cindy Ann Hendrix and Sharon Frances Banks.

The Chowanoka

People are recognized as Chowan's greatest resource. PEOPLE CENTERED has come to be the term most frequently used to describe Chowan College because it is broad enough to include by inference an interest in the total development of people, especially students, inside and outside the classroom. With 93 percent of the students living on campus, members of the college community (students, faculty and staff) have developed an environment for living and learning which makes Chowan, the PEOPLE CENTERED college, distinctive among two-year institutions.

PEOPLE CENTERED is the basic concept from which the philosophy of Chowan has evolved and been promoted since 1848 when the institution was founded. Chowan continues to demonstrate the PEOPLE CENTERED view of education by: (1) employing faculty and staff who are interested in helping students gain a sound education in academic disciplines and a philosophy of life based upon time-honored Judeo-Christian values which have helped people live secure and self-confident lives in a democracy; (2) offering quality classroom instruction in standard curricula for students who plan to transfer after earning the associate degree to senior institutions where requirements for the baccalaureate degree will be completed; (3) providing career instruction on a liberal arts foundation for students who plan to enter the world of work after earning the one-year diploma or the associate degree; and (4) striving to meet the individual needs of students through academic, social, and spiritual counseling.

PEOPLE CENTERED means people, especially students, are at the center of concerns whether in the classroom, in the residence hall, in Squirrel Park, in the library, or in an athletic or social event. It means faculty and staff members are working to help students take charge of their lives by establishing personal goals, both short range and long range, and becoming the best people they can be, academically, socially, and spiritually.

Columns Administrative Offices

The Office of the President is responsible for the execution of the broad administrative and educational policies adopted by the Board of Trustees.

Liba Parker, secretary in the Offices of Development and College Relations and Marie Landing, secretary to the President.

Edith Parker, College switchboard operator

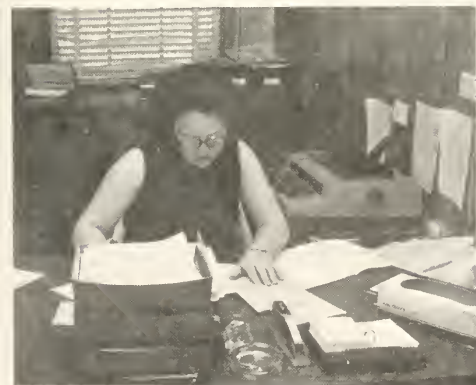

B. Franklin Lowe, Dean of College

Patricia Pierce, secretary to the Dean of College.

The Office of the Dean of the College is responsible for all academic matters of the College and assists the President in the administration of the College.

Carolyn Futrell, secretary to Dean of Students.

Sharon Taylor, secretary to Dean of Students.

The Office of the Dean of Students is responsible for administering a student development program which supports the academic program, meets the out-of-class needs of students and fosters the growth of the college.

The Office of Financial Aid administers financial aid to students and assigns jobs to students in the work-study program.

Jean Sanderlin, secretary to Cliff Collins, Financial Aid Director

Sue Rose, front, and Jean Chlomoudis, secretaries to the Registrar

The Office of the Registrar keeps records of an academic nature and is responsible for the preparation and distribution of grade reports and transcripts, and works in cooperation with the Dean of the College in the direction of registration at the beginning of each semester.

Burt Brown, Business Office

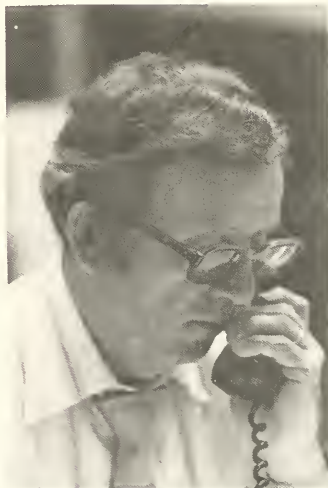

The Business Office consists of the Offices of the Business Manager and that of the Bursar. These two offices work together to handle the budget and other financial affairs of the college.

The Admissions Office is responsible for student recruitment and college representation at College Days and College Fairs in several states, and also supervises the training of Student Admissions Representatives.

The office of the Associate Dean of Students helps to promote a sound program of student activities, including religious, social and recreational activities, and provides counseling to students, helping them with their special needs.

Tammy Rose, Faculty Secretary

Secretary, Sandra Jones and Director of Development Bobby Cross

The Offices of Development and College Relations organize and direct fund-raising programs and alumni activities and coordinate the public relations program of the college.

Lynn Gray, Secretary to the Chaplain

Phil Royce, Director of College Relations

Thomas Cafeteria

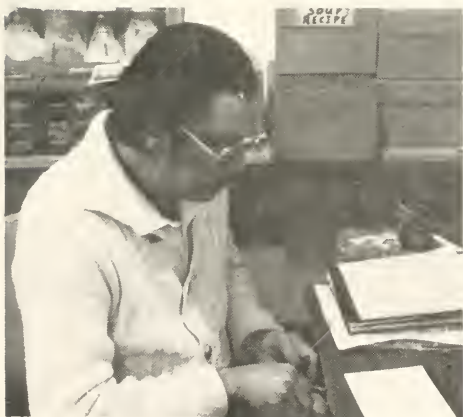

Thomas Cafeteria prepares three meals a day for more than 1,000 students. Ron Thompson and Larry Lassiter do a great job of planning the meals, and running the cafeteria.

Although there is a lot of criticism about the food, Chowan students have little reason to complain. In comparison with other colleges throughout the state, Chowan's food ranks among the best.

The cafeteria planned several surprises during the year: "all-you-can-eat ice cream", steaks and Sunday night buffet.

Munchette

As a social center on campus, the Munchette is a place for students to gather, a place to read mail, and a place to grab a quick bite to eat.

Students meet here between classes to discuss class lectures, gossip and just to sit and relax. After assembly on Monday's and Wednesday's the snack bar becomes very crowded as students pile from Columns through the mail room to the Munchette.

Linda Thompson

Bookstore

Aldeen Gatewood, Bookstore Manager.

It is virtually impossible for any Chowan College student to escape going to the Bookstore while he or she is at Chowan. The long lines outside the first week or two of each semester provide the perfect opportunity for meeting other students.

Once in the Bookstore, after putting all personal belongings on the shelves at the door, one can easily find textbooks and other class supplies with the help of Mrs. Aldeen Gatewood, the manager.

The Bookstore has much more to offer than class essentials though. There is a wide assortment of T-shirts and jackets bearing the Chowan College emblem, and not to mention toiletries, the latest posters, unique gifts and stationery to write the folks.

Student

The Lakeside Student Center neared completion as the building and grounds crew prepared the finishing touches for our new recreation area while the Chowanoka was going to press. Final coats of paint and new equipments were being ordered so that the building would be ready for its "Grand Opening" during Spring Festival week. An open house and reception were planned for April 23. Several promotions and activities were planned in honor of the new center to take place during Spring Festival Week.

The Lakeside Student Center will have several "drawing cards" which should invite students to visit often. The new center will house the Post Office in an effort to provide a convenient location for students to receive mail. A game area as well as a game room will include pool tables, ping pong tables, pinball machines, and new electronic games. New offices will be used by Student Development staff and the SGA, which will join together in an effort to better plan student activities. A television viewing room should provide daily entertainment for those "Soap Opera Sally's", as well as the "Monday Night Footballers". The main floor should be used for dances and social events alike. Lastly, the center will have a balcony which will serve as a quiet place to study or to view activities below.

Linda Owens

Collin Steele
Counselor for Group Functions

For many years the Askew Student Union offered Chowan students a place to gather and associate with one another, as well as offering many types of recreation. However, over the past few years it has proven to be inadequate to the needs of the students.

The new student union - Lakeside Student Center - will offer the students more recreational opportunities and a better atmosphere for students to meet and converse.

Social Services

Special Services is an organization created to help students learn study and note-taking skills as well as other helpful skills. There are counselors and tutors to help any student who desires or needs assistance. Students learn academically, culturally and socially through individual and group counseling.

Special Services, funded by HEW and directed by E.F. Stephenson, is designed to reassure students and help relieve their anxiety in adjusting to the academic stress of college-level learning.

Career Development

The Career Development Center, located in Stone Hall, is a busy place where counselors Diane Wood and Cherrie Kassem work with programs designed to help students with their educational personal and career goals.

The counselors are available to guide students with personal and group counseling and operate a special study skills class weekly in which they help students make the most of their study time.

In the Career Development Center, there are numerous resources including catalogues and applications from schools across the nation, job prospect information, and career files arranged according to alphabet, personality, and special interests.

The counselors coordinate the Student Handbook and through their efforts, in cooperations with Linda Owens, Director of Programming, orientation is planned and accomplished. For whatever need a student has in the Career Development Center, he is sure to find an atmosphere where people are concerned with people.

and Housing

There are many people behind the scenes here at Chowan that help to keep things running smoothly. One group of these people are those found in the Maintenance and Housing Department. The Housing Department, under the direction of Bennie T. Vann, is responsible for student room assignments. The Department of Buildings and Grounds keeps campus buildings in functioning order. Superintendent Jack Hassell supervises maintenance of the dormitories as well as other campus structures, while Steve Davenport heads the custodial branch of the department.

Jesse Helms Center

The Jesse Helms Center was completed in August, 1980. Financed completely through contributions, the Helms Center has proved to be a rewarding addition to the college. Shown here under construction are the pool, right, and below, the lobby and concession area.

Memo From President

I have just returned to the office following goodbyes to the senators at the Tri-County Airport. My heart is filled or overflowing with joy and gratitude incident to the activities of the day. Everything went so well. It could not have gone better, as a matter of fact, in my judgment. The senators, to include Senator Helms' family, were over-joyed, especially with the favorable response of our students. I have never been prouder of our students on any occasion any year than I was today.

The dedication of the physical education center today was the culmination of four years of work, to include a successful Mission Possible campaign effort. Many, many people worked and gave and helped, both within the college community and outside of it. No money we received meant more to me than that pledged by the faculty-staff of the college. The dedication ceremonies-experience today was the "icing on the cake."

There are so many people who deserve to be thanked for contributions leading up to today. I am thinking of the Committee which visited a number of colleges to get ideas for the layout of our gym. There were many persons who helped plan and implement a successful campaign. There was the ad hoc committee which planned the program activities of the day, to include the preparation and printing of the program. There were a thousand details to be "thought up" and implemented. There was the service by the Hospitality Committee throughout the weekend. There was good food service. There were the many, many long hot hours of work, much of it in the last few days, by the Department of Maintenance. There was the effort on the part of ushers and others to get people into the gymnasium and settled, to include the many visitors, faculty-staff, and students. There were the well-thought-out presentations by those who participated in the formal program. There was the appropriate response participation of our students. It took all of these groups' efforts and more to bring us to the culmination day. I express genuine appreciation and sincere gratitude to the entire membership of the Chowan College Family. These sentiments I express both personally and professionally.

We made many friends today. The public caught a glimpse of the basic good side of the college. Good will accrue to the college with respect to referenced four-year effort which culminated today, across many, many years to come.

Again, my gratitude and appreciation goes to everyone.

Belk Hall

Marcella Coburn
Resident Director

Belk Hall, under the sure guidance of Mrs. Marcella Coburn (better known as "Buffy"), was very active in campus programs. Weekend programs included pool parties, bonfires, pillow fights in the park, shagging lessons and a Beach Party featuring Beach music.

Belk co-sponsored with West Hall a pig pickin' including a live band and cash prizes. The proceeds from this event went to the Lakeside Student Center.

Belk was also active in community projects. At Thanksgiving the dorm gave a gift of groceries to a needy family in Murfreesboro. The residents also donated \$25 to the Murfreesboro Fire Department. Belk also won second place in the Homecoming - Most Attractive Dorm Contest.

Belk Officers: Ginny Taylor, Social Co chairperson; Robyn Herbin, President; Felicia Lennon, Secretary-Treasurer; and Monica Whitehead, Social Co-chairperson.

Jenkins Hall

Mrs. Doreathea Thompson
Resident Director

Jenkins Hall, under the leadership of Doreathea Thompson and dorm president Gay French, spurred great interest in campus activities, by sponsoring one of the best "Monday Nite Series" ever, and many other activities like pool parties, movies, and dances.

The RA's and the RD spent time with the residents and helped them to adjust to dorm life and were always around when needed.

McDowell Columns

Administration

Building

Dormitory

McDowell Columns, despite the fact that it is not a regular dorm, was equally as active in college events as were the other dorms. The residents, which are mostly freshmen, were slightly disappointed in the dorm upon their arrival in the fall. But as the semester continued, a family atmosphere developed and despite the physical handicaps of the dorm, the residents were all pleased that they did not have to move from Columns at the end of the semester.

Columns sponsored weekend events such as dances in Daniel Hall, bake sales, hot dog sales and "a night at the movies" in Ahoskie. Their most successful weekend activity was a dance contest held at Murfreesboro Middle School Gym featuring music by Legend as well as a DJ. Proceeds from this event helped a needy family have a merrier Christmas.

Columns was also active in intramural sports. At the end of the fall semester, Columns lead in the competition for the President's Cup ranking first in programming, participation in intramural sports, attendance and proration.

Scott Colclough
Resident Director

Parker Hall, Chowan's high rise, was run smoothly this year with the leadership of Scott Colclough and Bennie Bridgewater. The dorm president, Jeff Pishner, and the rest of the dorm council worked hand in hand to put some spice into life at Parker Hall.

Winning the best decorated dorm contest, the dorm put the prize money towards painting the lobby and the movies that they showed during the year. Other activities included a backgammon tournament, a raquetball tournament, and many others.

West Hall worked hard to sponsor good weekend programs in running in the President's Cup Competition. Among these programs was a chicken pickin' in the fall. Residents from the dorm barbequed chicken on an open grill outside Askew Student Center. This gave students a break from the cafeteria.

Other activities included a coed flag football game, a pig pickin', and weekend dances featuring soul, top 40, rock and beach music.

In an attempt to improve the appearance of the dorm, the residents painted murals on the walls in the hallways.

East Hall

Resident Director, Rene Osborne, is completing his first year here at Chowan, and has done a good job keeping East Hall busy with weekend activities, the "Monday Night Series", and an Anything Goes program in Squirrel Park.

Row 3: Kevin Trevillian, "Boo" Carneal, Jack Spellacy, Keith "Orville" Farmer, Weslev Harkrader, Neil White, Martin Davis, Mike Strosnider, "Capt" Smith, Fred Banks. Row 4: Reggie Stokes, Greg Harrell, Kevin Kirby, Mark Douglas, Massa' Bob Lumpkins, Mike Cassells, Mark Tonnacliff, Paul Duong, Gary Williams and Pat Hamilton.

Mixon Hall had an exciting fall semester, before being closed for renovation in January.

Though the building needed work, the residents of Mixon Hall felt that it was the best dorm on campus. A good cooperative spirit in dealing with building conditions and red tape helped build a family atmosphere in the dorm.

Mixon did well in intramurals as well as academics, but the social program was the strong point. The number one program was a pig pickin' held at the Colony House in October.

Blood Goal Achieved Once More

By SHARON ALEXANDER

The Red Cross Bloodmobile visit to Chowan College on September 29 was considered a "success" by Linda Owens, director of Student Activities.

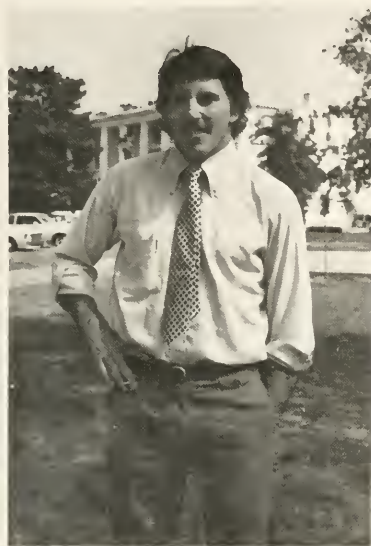

Chowan surpassed its 200-pint goal by 35 pints of blood. This was termed a tremendous show of community spirit and caring on the part of the community by Miss Owens.

Circle K, Womens Club of Murfreesboro and the student volunteers helped in making the program a success. This was one of the largest single collections of blood in Hertford County in the last five years, missing last year's total of 285 pints by 50 pints.

Miss Owens praised the student body for its efforts in the Bloodmobile "I am proud of the fact that the Chowan students cared for a project and not for the assembly and class cut credits which they received."

Intramurals

Colin Steele, the new director of intramurals.

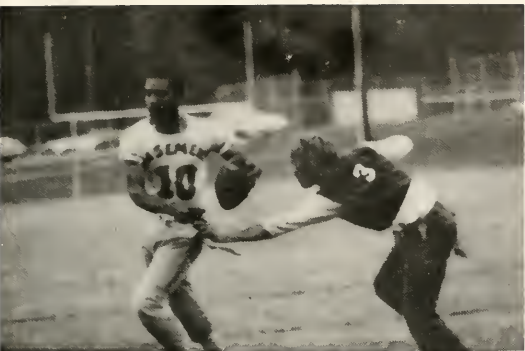

Coach Colin Steele worked hard this year planning intramural activities. Men's intramural winners are as follows. flag football - Seventh floor Parker; basketball - Basement Parker; volleyball - Second and Third East; football skills - Third Parker; tennis - Costin Craven; racquetball - Buddy Wright; wrestling - Mickey Militia, Curtis Thompson, Reginald McClendon, Timothy Oswald and John Banacar; and weightlifting - Mike White, Ben Whiterton, Scott Deans and Steve Cooke.

Winners in women's intramurals are: flag football - Second Belk; basketball - First Belk; volleyball - Third Belk. The year will be finished out with competition in softball and swimming.

The flag football winners, seventh - Parker, pose for their team picture.

Homecoming

Homecoming week began with a feeling of enthusiasm and wonder, which brought about the students' anticipation of the crowning of the Homecoming Queen for 1980.

In the course of all events, there is one that Miss Shigeko Wakiyama will never forget. That memorable event was when she was crowned Homecoming Queen in Chowan's football stadium. She was escorted by Mike Arai.

Miss Wendy Strickland was crowned Princess for 1980. She was escorted by Chris Cresswell.

Homecoming Dance

The Homecoming dance, honoring the Queen and Princess, featured the band "Threshold". Many students, faculty and staff members were present to enjoy the occasion.

Anything Goes

"Anything Goes" is a dorm-sponsored activity for all students of Chowan. It helps to break up the monotony of every day campus life.

Such things as turtle races, softball and baseball throws, tobacco spitting contests are offered, as well as musical entertainment.

A new addition this year is the "Earth Ball", which many students enjoyed pushing around Squirrel Park.

Dance

Community Concert

The Community Concert Series offers a variety of programs throughout the year at Chowan. Programs performed this year began with the Aspen Soloists in October. This program featured Eriko Sato, violinist; William Grubb, cellist and David Oei, pianist. In January the series presented Ransom Wilson, flutist and Nancy Allen, harpist. The final concert featured the California Boys Choir. These talented young men act, dance and play musical instruments as well as sing.

Chowan Players

By KEN WOLFSKILL

Count Dracula, that terrifying and en chanting bloodsucker from Transylvania, came back to life during the week of Halloween in Sandra Boyce's fine production. Every time he returns, I go to his castle (in this case, Columns Auditorium) to see luscious, feline women and vulnerable necks, to watch the Count's smooth seductions, and to hear the great corny lines.

Dracula is a unique villain, a classic in the literature of the Christian world, because his evil, though it threatens our very souls, is so attractive. For one, he's more interesting than the normal folks who try to do him in - he's poetic and self possessed, and he wears such ruffy clothes when the boys around him wear Botany 500s and Weejuns. Also, his evil is lust (well, sure it's a lust for blood, or blood-thirstiness, but you have to admit it's sexy), and lust is one of our favorite vices. But, more, this friend, whose hypnotic powers are almost totally irresistible, would like for his victims to become will-less in his power, and that sometimes seems a nice option to the responsibilities that beset us under the Christian notion of free will and making right choices. Despite his virtues - natty clothes, a great accent, full-time devotion to possessing women, and a philosophy free of moral choices

he has to go so that Haggard slacks, prosaic diction, and moral proprieties may flourish. It's only right that he be destroyed, but we can be grateful that, through the play, we could escape our conformity for a little while.

And we know he'll be back.

This time he appeared in the body of Frank Underwood, who was thrilling to watch. With his polished cape maneuvers and awesome voice, he controlled every scene he was in - and one he was not in - you could have forgotten that Rhett Coates (as Jonathan Harker, a reluctant victim) was acting, as the Count drew him from twenty feet away and finally discarded him like a tedious book, you could feel his presence as Bernard Ingram, playing Renfield, Dracula's deranged servant, though all alone on the stage, was clearly flipped over by the disapproving master. That's credit to Rhett, Bernard, and Mrs. Boyce, but it's also credit to Frank's powerful performance.

Dracula had his match in Van Helsing, the scientist with the bag of garlic and crosses. Unfortunately, Tim Kelly, who wrote this version of *Dracula*, wasn't interested in characters other than Dracula and Renfield, so Van Helsing's personality is not very remarkable, fortunately, Jeff Davidson, who played Van Helsing, was interested in the part and gave it fine strength so that his victory over the powerful and elusive vampire seemed justified and right.

Some of the best scenes involved Dracula's wives (Sharon Sydnor, Becky Hinzman, and Garnet Moore). I'd enjoy being assaulted by three women, but not these! They were clearly after a man's body, indifferent to his soul or personality. Cold women, these!

Becky Brasie, as Lucy Westenra, on whom Dracula has nefarious designs, has a schizophrenic role that she played very well,

changing from the innocent fiancée engaged to all-American Arthur Holmwood (Joe Maves) to enchantress and seductress fiancée to Dracula.

Some of you think Bernard Ingram was acting, some of you don't. I personally don't think the role of bug eating madman was a test of Bernard's acting ability, but the performance was, as you know, delightful, here is a role and a character you won't forget.

Other sound, supporting acting was done by Greg Lowe, Kim Mandra, Janice Gallion (one of the most convincing of the troupe) Bob Lumpkins, Penny Jones, Darlene Keene, and Bebbly Humphrey. They, with the fine organ mood music and the angular set and its mysterious doors, helped to make Ms. Boyce's production a horrifying delight - or a delightful horror.

Love Is . . .

Godspell

Godspell the rock musical that was a hit on Broadway in the early 70's came to Chowan's Columns stage this spring under the direction of Sandy N. Boyce. *Godspell* relates the events of Jesus' 3 year ministry through a series of parables incorporating caricatures, pantomimes, song and dance. Utilizing up-beat rock music, with a unique junk yard set and clown costuming, *Godspell* retells the familiar story of Jesus' ministry, through his crucifixion and resurrection, in a modern, fresh approach.

An experienced and highly energetic cast was backed up by a strong stage company. The largest lighting crew Chowan has used, worked under the direction of lighting designer, Jay Hilton. Dr. James Chamblee directed the music and Mrs. Marla Hunnings developed the choreography. Freshman Jeff Smith, was the stage manager. Sophomores Karen Nelson and Bob Lumpkins were assistant director and assistant stage manager respectively.

President's Reception

During the course of the academic year, President and Mrs. Whitaker held two receptions for students in their home.

In the fall semester, freshmen and transfer students were entertained by members of the administration and given an opportunity to meet other new students.

Honor students were welcomed into the Whitaker's home early in the spring semester where they were congratulated on their high academic performance in the fall semester.

Parent's Day

The Fall 1980 Parent's Day began with a reception in McDowell Columns. The morning activities included an art exhibition, a photography exhibition, an open house at the Jesse Helms Center and an open house in the residence halls. After lunch in Thomas Cafeteria came the highlight of the day when Chowan met Potomac State in a football game. Parents' of the players were recognized in pre-game activities.

Parent's Day in the spring began with a reception at the President's home. Activities for the day included music in the park, art and photography exhibits, a concert performed by the Chowan College Choir and Stage Band, ice cream in the park, coronation of the Queen of Spring and a banquet for the Spring Festival Court, their escorts and parents in the President's Dining room.

SPRING FESTIVAL 1980

Spring Festival is a time for reminiscing. Many alumni members, as well as students were on hand for the day's activities.

The crowning of the Spring Queen was the highlight of the day's events. Miss Jackie Bass was crowned Spring Queen for 1980. She was escorted by Floyd Fortune. Miss Annette Johnson, escorted by Kirk Redd, was crowned Princess for 1980.

Other events of the day included music, ice cream and fellowship in the park.

The traditional Spring Festival dance is held in the honor of the Spring Queen and Princess. The 1980 dance featured the Catalinas.

Founders Day

Sara Ann Hobbs addresses the student body on Founder's Day.

Founder's Day is a Chowan tradition stretching back many years, a celebration of the founding of the college.

Held in October of each year, Founder's Day honors those who founded the college as well as those first female students who were here that historic day, October 11, 1848, when the Chowan Female Institute was formally opened.

During the Founder's Day celebration in 1980, Sara Ann Hobbs addressed the student body. She is the director of the Division of Missions for the Baptist State Convention of North Carolina.

It is doubtful that few of those present at the founding of Chowan 133 years ago could have imagined the success Chowan College and those who attended it would achieve in the years to come.

Outscoring their opponents 239 to 73 and achieving an 8-2 record, the Braves gave Chowan College students a lot to be proud of when it comes to football. Our football team can also be proud of being the only team in the Coastal conference to beat the conference champs, Ferrum, in a homecoming victory of 20 to 7.

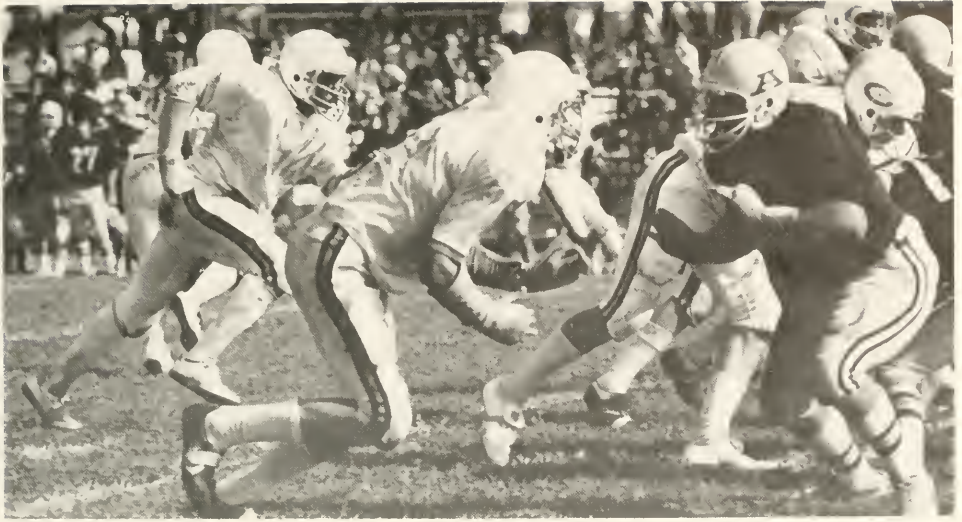

During the Fall Sports Special Awards banquet some of our Chowan football stars were honored. Sophomore Jeff Speight of Wilson was named outstanding offensive lineman. Jody Schulz of Chester, Md. was named outstanding defensive lineman. The outstanding defensive back award went to Arthur Washington of College Park, Ga. and the linebacker award to Mike Grant of Charleston, S.C. The offensive back awards went to William Dalton of Eden and James Cale of Four Oaks.

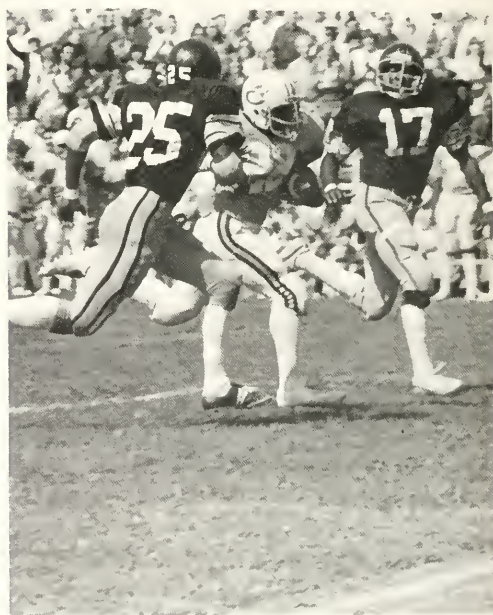

It is also expected that 23 of our 36 sophomores will sign grants-in-aid to four-year colleges and universities. East Carolina University, Elon and James Madison are known to have an inside track on some.

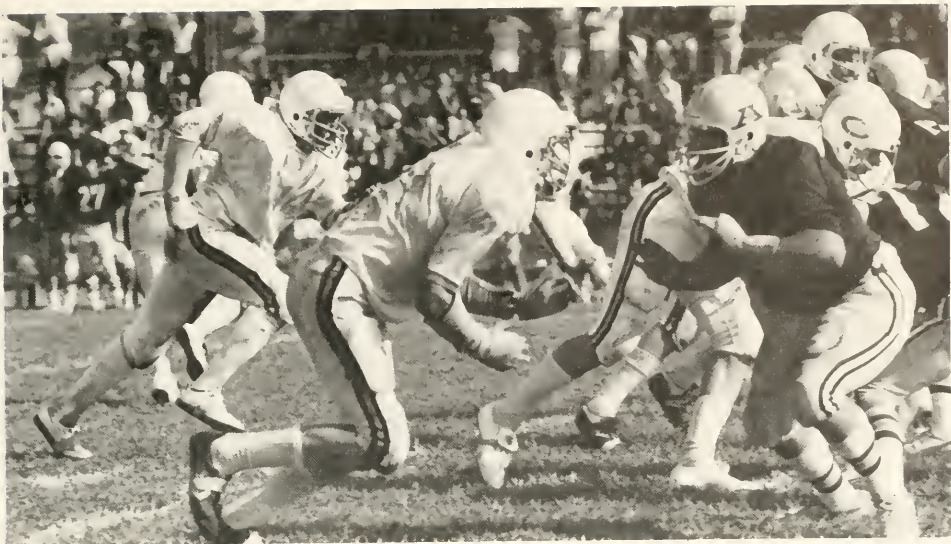

October 4 marked an exciting Homecoming Weekend when the Chowan Braves buried arch rival Ferrum College 20-7 in front of a loud and exuberant crowd that was keyed up for a victory.

Chowan, which was ranked sixth in the nation for all Junior Colleges before the game, let Ferrum score on its first series, but stymied the Panthers throughout the rest of the game.

Between the halves, the Kempsville Junior High School band from Virginia Beach performed with a colorful display of costumes and flags.

Chowan dominated Ferrum in every offensive category and scored on touchdowns by Danny Chapman, Greg Harrell and Perry Agee.

After the game, a Ferrum Panther jersey was flown over the battle ground to celebrate a long awaited Ferrum defeat and to signify a perfect half season which saw Chowan win five straight games.

Indoor Soccer

Row 2: Takeshi Kobayashi, Martin Onyirimba, Jack Graff, Mark McClendon and Paul Duong.
Row 3: Ray Dominquez, Mike Hertzig, Bobson Arigbe, John Fakankun and Coach-Michael Bradley.

New to Chowan this year was the Indoor Soccer team, coached by Michael Bradley. The young team finished the season with a record of 11-4-1.

During the six week season there were four tournaments, in which Chowan averaged a 1.0 goal score per game. Sophomore goalie, Alan Sewell played an excellent season, helping the team to maintain that average.

On the offensive line, Sao Vang and Martin Ontimba proved to be a big asset to the team.

The only two year college invited to the four tournaments, Chowan met such four year teams as ECU, Temple Univ., UNC and Pfeiffer. In over-all tournament action, Chowan's dedicated soccer players earned recognition as the Most Improved team.

Many long, often late hours of practice and determination brought the team to the conclusion of a successful first season.

Head Coach: Bob Burke

Assistant Coach: Scott Colclough

Academic Advisor: Dr. Hargus Taylor

Coach Bob Burke was named coach of the year in the Eastern Tar Heel Conference as Chowan attained its most outstanding basketball season in history with a 27-6 record. The Final loss came in the final game of the Region X NJCAA tournament.

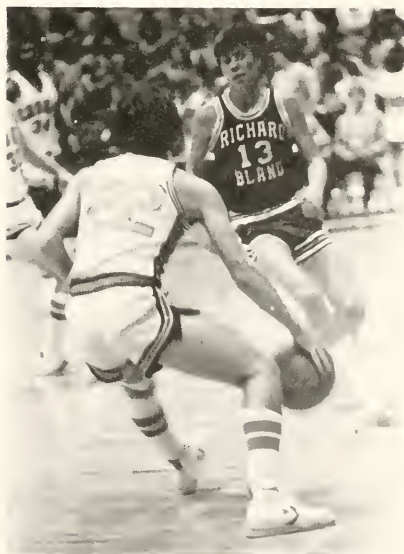

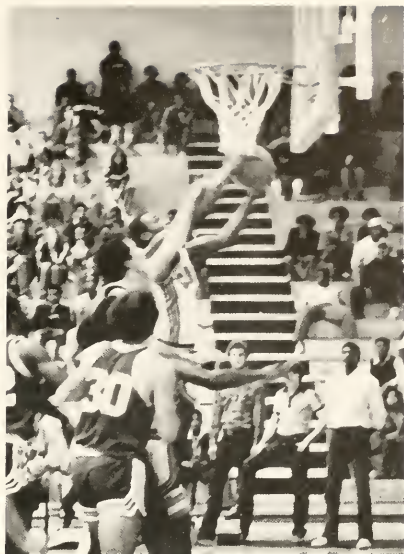

Outstanding play and leadership came from co-captains Larry Canady and Elton Mosley. Canady provided the highest scoring and led in rebounding for Chowan's conference champs. Canady and Winfred Basnight were named to the Region X All-Tournament team and Mosley along with Canady were given similar conference honors. Canady also was awarded the MVP award at the conference tournament.

The outlook for our sophomores is great. Assistant Coach Scott Colclough predicts at least four will sign grants of some sort with four-year colleges or universities. Prospects for next year are favorable with extensive recruiting and the return of our fine coaching staff.

Women's Basketball

Susan Check, Sandy Dixon, Judy Douglas, Jackie Gore, Christine Graves, Mollie Hopkins, Ginger Jefferson, Denise Jordan, Carolyn Kelly, Tina Midiri, Donnie Stephens, and Terri Tyler.

The 1980-81 Lady Braves set a new school record this year, finishing the regular season with a 21-5 record. The team, coached by Roy Winslow, averaged 84.3 points and gave up 63.5 pts. per game. The Lady Braves averaged 45.6 from the field and 60.5 free throws. They had 48.8 rebounds per game and 21.4 assists, averaging 19.6 steals. Four team members averaged in double figures.

Judy Douglas, who lead the Braves in rebounding, field goal per cent and scoring, was named to the All-Division and to the All-Region teams. Ms. Douglas averaged 15.6 pts. per game and 10 rebounds. She shot 58.9 per cent from the floor and 66 per cent from the line. After a good season, Coach Winslow, who finished his last season as women's basketball coach, anticipates a good upcoming season as there will be five returning players. Ms. Charlotte McMinn will be the new basketball coach for the 1981-82 season.

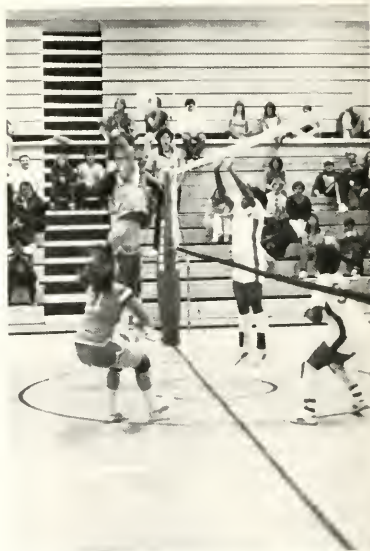

Volleyball

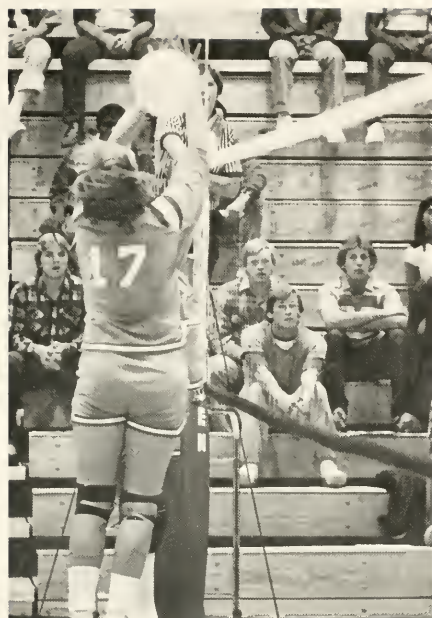

Kneeling: Terri Tyler and Cheryl Hendrix-co-captains.
Standing: Jay Hilton-manager; Lois Moe; Teresa Tripp; Sue Burke; Armelia Alexander; Gwen Bergey; Pam Pellom; Yvette Armstrong; Ressa Edwards; Coach Janet Collins.

The Chowan College Volleyball team which finished the 1980-81 season with a 22-8 record, recorded its best season in Region X Volleyball play. Of the 30 matches played, 17 were against four-year colleges. With seven of the nine players returning, an even better season is expected next year.

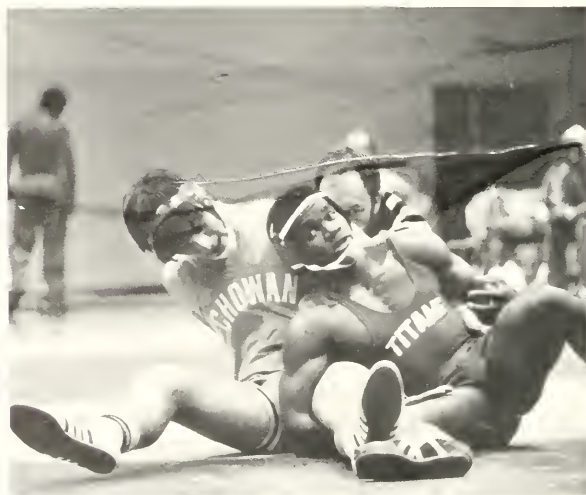

Sophomore Terri Tyler was selected to both the 1980 All Region and All-Tournament teams.

Wrestling

Row 1: Randy Kelly, Mike McGinnis, John Brobst, David Leman, Donald White, Weldon Hobbs. Row 2: Michael Strosnider, David Parker, Lawrence Blackwell, Craig Diffie, Donald Scarborough, Dwayne Partman, and Coach Colin Steele.

Chowan's Wrestlers, under the direction of Coach Colin Steele, finished their regular season with a 5-8 record in dual matches. Five wrestlers, with winning records during the season, qualified for the Mid-Atlantic Regional Tournament which was held in Altoona, Pa.

Weldon Hobbs, at 126-lb., lost two matches, one in which he was pinned by Ken Carr from New Jersey who finished second in the nation. Donald White (158 lb.) finished with a 1-2 record. Mike McGinnis (134-lb.) won his first two matches to place second. Unfortunately, he dislocated his shoulder in the final round, forcing him to default.

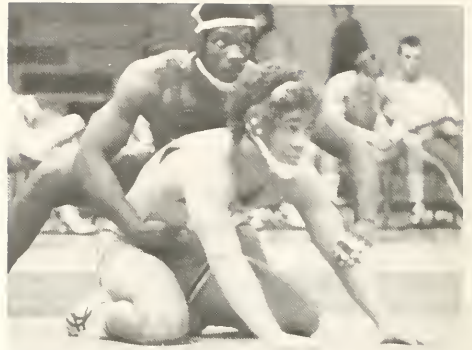

At 190-lb., John Brobst placed third after losing to John Grabber who is seventh in the nation. Heavyweight

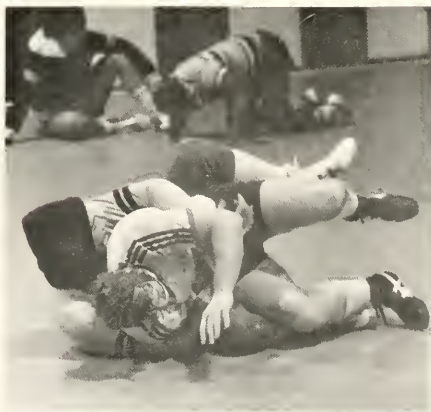

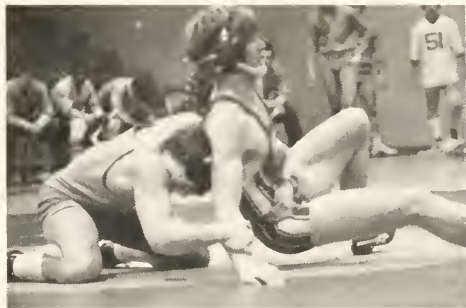

David Lerman placed second, losing in the finals to Leroy Barton from Maryland.

McGinnis, Brobst and Lerman qualified for the nationals held in Worthington, Minn. Brobst and Lerman represented Chowan in the tournament, as McGinnis was still injured. Brobst was defeated in the first round, while Lerman breezed through his first and second match, only to be pinned by 390-lb. Mitch Sheldon from Maryland.

Coach Steele was recognized as Rookie Coach of the Year in the Mid-Atlantic Region.

Baseball

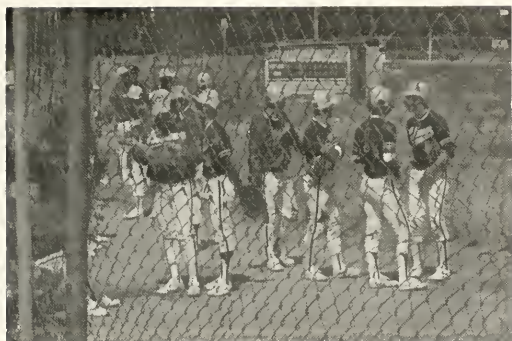

Row 1: David Murphy, Sam Kayea, Bruce Hoff, Pat Ehle, Mike Diguglielmo, John Odom, Richard Goodwyn, Mike Saunders, Curtis Bond, Trainer Tony Marra. Row 2: John Carter, Steve Cooke, Ronnie Baxter, Freddie Davis, Gary Hunter, Jerry White, Gary Hall, Floyd Fortune, Kenny Hall, Trainer Wesley Carter. Row 3: Coach Jerry Hawkins, Jeff Sosebee, Deon Douthett, Bruce Kennedy, Dwight Mangum, Jeff Pierce, Eric McDaniels, Donald Myers, Don Oliver, Don Robertson, Reid Childress, Coach Dwight Collier.

With the coming of Spring also comes baseball season. Baseball season at Chowan means warm afternoons sitting at the baseball field and cheering the Brave baseball team on to victory.

This year's team is one of the best ever. Coach Hawkins has recruited an excellent pitching staff from top high school teams of NC and VA for this year. Pitchers like Jeff Sosebee, Pat Ehle, Donald Myers, and Jeff Pierce are examples. We also have returning sophomores with great experience from last year.

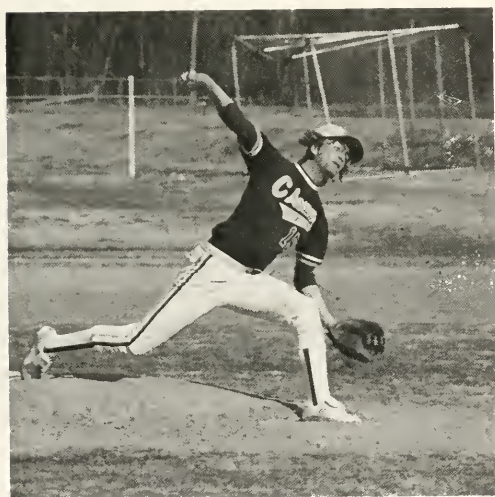

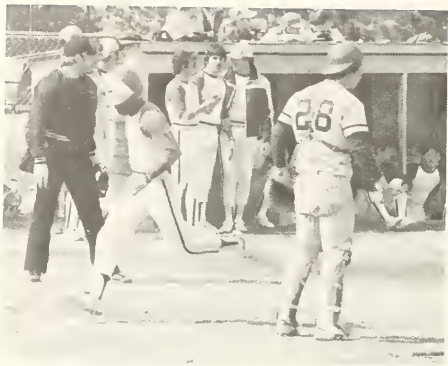

Two of these sophomores are Freddie Davis and Eric McDaniels, who are pro prospects for many teams, according to local sports writers. Both Freddie and Eric are expected either to sign with big schools or to go professional.

Co-captains for the Braves are Freddie Davis and Eric McDaniels. Sophomore Bruce Huff pitched fourteen innings against Newport News Apprentice. Play like this makes Chowan a winner.

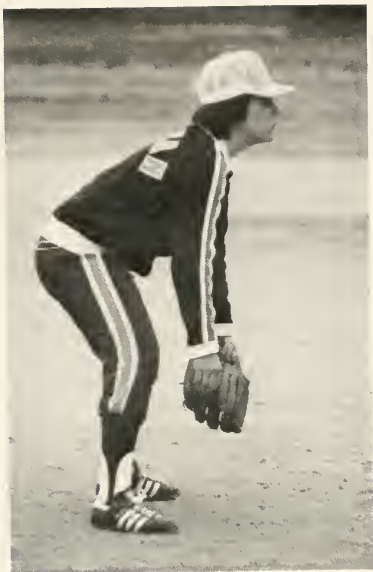

Softball

Row 1: Linda Bridges, Ressa Edwards, Keva Smith, Lori Carter, Sandy Dixon and Sherry Keenan. Row 2: Carolyn Kelly, Phyllis Greer, Annette Benthall, Duanne Keel and Lisa Huffman. Row 3: Kafen Whoelhous, Terri Tyler, Molly Hopkins, Karen Hellinger, DeAnna Presley. Not Pictured: Belinda Elmore.

Softball

The team is short on talent with some members with little experience and some with no experience at all. However, there are several returning members who will contribute a lot of strength and leadership to the team.

One of the main concerns of Coach Owens is the changes in the rules:

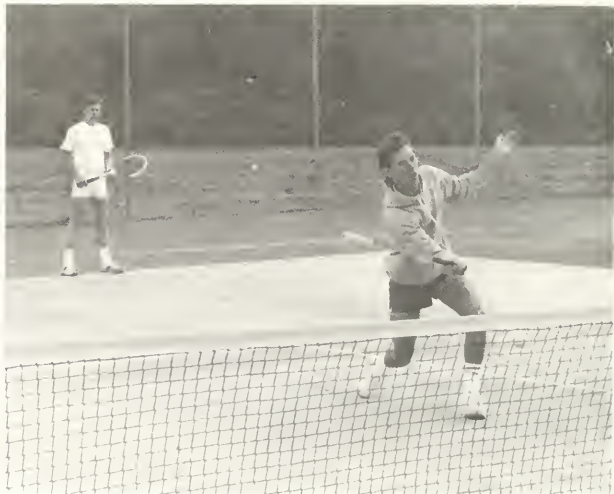

"We play in the Amateur Softball Association and they have made several changes in the rules that may affect our playing. I think we can adjust to these changes and still have a good season. The team has a good attitude and is very close knit. I'm looking forward to the season."

Tennis

Row 1: Joe Harpe, Cliff Clark, Cathy Purnell, Steve D'Avanzo, Todd Praigg. Row 2: Richard Shaw, Jay Hilton, John Barnes, Steve Gillespie, and Costen Craven.

The Chowan Tennis Team got off to a slow and late start, with scattered practices and 8 matches, but showed a good season, winning at home and on the road.

Golf

Coach Sowell, Jim Carlino, Ricky Fugate, "Chip" Cutrone, Bryant Reese, Robert Harris, Kevin Kirby, Oddie Carneal, Lee Richardson and Buddy Wright. Not pictured: Jeff Heath.

The 1981 Chowan Golf Team, facing a difficult schedule, is looking forward to spring matches with teams in the Eastern Tarheel Conference. With impressive showings in the 1980 fall tournaments, Coach Bill Sowell considers his player material capable of becoming a conference winner.

Leading the squad are Sophomore "Chip" Cutrone and Bryant Reese, along with a freshman standout, Ricky Fugate. Coach Sowell anticipates the entire team to place well in every match because of the members' hard work and their eagerness to claim the conference crown for Chowan.

Hey Chip!! I think you had better look down.

Being a two-year co-educational college directed and supported by the Baptist State Convention of North Carolina, Chowan attempts to instill Christian ideals in each and every student.

The Baptist Student Union - Campus Christian Fellowship, more than any other group on campus, gives the student a chance to express his religious convictions before fellow students.

Chaplin R. Hargus Taylor is the group's sponsor and schedules events to enhance their religious growth. Members may attend religious-oriented camps, workshops and seminars, as well as provide a public service to the community.

College Choirs

The Chowan College Choir sings a variety of songs, including both religious and secular music. Each year the choir presents a program at Christmas and in the spring. For these concerts the choir performs classical, jazz, pop and folk music.

The Touring Choir travels to area churches and sings primarily religious music. In the fall the Touring Choir taped a Christmas show in Washington, N.C. which was aired Christmas day on WITN-TV 7.

The Chowan College Day Student Organization is composed of all students classified as commuting students.

The primary objective of this organization is to encourage the involvement of day students in college-sponsored activities.

One of the largest student organizations on campus, this group has official representation in the Student Government Association and during the academic year sponsors various student functions.

The Chowan Experience

By GREG BASSETT

If you thought it was safe to come back to college, you were sadly mistaken.

When "The Chowan Experience," a student-made movie production which pokes fun at campus life here in historic Murfreesboro, is finished, sometime, there will be no doubt in your mind that college is anything but safe.

It was hoped that the film, which is about 60 percent complete, would be ready for its unveiling at Spring Festival during the second semester, according to the movie's director and executive producer, Rhett Coates.

The motion picture could never be interpreted as anything but a true comedy spoof. After all, any movie which features scenes such as a shark attack in Lake Vann, a chemistry lab explosion in Camp Hall, cafeteria activities (complete with gross food), a wild panty raid, and the ultimate scene: the entire campus being destroyed in an earth quake; a movie like that could not be considered a compelling drama.

"What we do," says director Coates, "is to take complaints from Chowan students and exaggerate them to the extreme. We're taking another approach to looking at things here."

Observes Coates, "By looking at our complaints comically, maybe there's something we can do about them. It's all very positive."

Coates claims his principal cast numbers in excess of 200 throughout the production, with two people, Aubrey Cuthrell and Diane Hassel, starring and introducing each scene in the movie. The pace and action in the 45-60 minute movie (the exact length is still undetermined) will build until the tragic, but comical, earthquake sequence destroys all.

Although some school officials have been concerned that Coates is making fun of the college in a derogatory way, Coates defends his film as being nothing more than light-hearted comedy that is for and about the student.

"After all," he says, "It's people who make up a college, not buildings."

The crew and actors of "The Chowan Experience" take time out to relax and pose for a casual picture.

Director, Producer, and Writer Rhett Coates gives last minute instructions before shooting a scene in Chowan's studio.

Seventh Floor's "Wild Bunch" Team Goes Undefeated to Football Crown

November 10, 1980

By GREG BASSETT

Parker 7th Floor men's flag-football team, undefeated in season play with an 11-0 record, outscored 1st Floor Parker 35-13 to win the coveted Assembly Bowl on October 22 and to claim the men's football title.

The women's champion was 2nd Floor Jenkins in the Women's final by a score of 20-13.

"I owe our victory to teamwork," said Kelly Reynolds, 7th Floor Parker's team coach. "I didn't think we had that much of a chance to go all the way. We knew 8th Floor would be the team to beat because they had a lot of returning sophomores who played well together last year."

Reynolds said his team won because of "good team effort" and its "high spirit."

"The guys from 7th Floor knew how to use strategy," said Student Activities Director Colin Steele, "and that made all the difference. There were other teams as talented as them, but they weren't as skilled with their plays."

Steele noted that 7th Parker only had two standout performers, sophomores Woody McDaniels and Dwight Mangum.

With an 8-1 record, 2nd Belk was one of the most awesome of the women's teams. According to Steele, 2nd Belk's weapon was Linda Bridges, the women's league high scorer. Steele described Bridges as "fast, quick, and all over the field." Steele said that with the help of quarterback Harriett Reimer, Bridges scored six touchdowns in one game alone.

Intramural Volleyball Season Good

By JENNIFER WICKER

Although the amount of forfeits was disappointing, sportsmanship was good this season in intramural volleyball, according to Coach Steele.

The referees, often criticized for their strictness in enforcing the rules, forced the players to play proper volleyball, not the beach version that was so rampant in the old gym.

Steve Green, who plays for the fifth Parker B Team said, "The season started good, even though several teams lost the first few games and then quit. I enjoy playing and don't have any complaints."

Several teams have mastered good volleyball techniques which have helped them win. East 1, 2, 3, 7th and 5th Parker, also Jenkins and Columns," said Coach Steele.

Teams in the men's playoffs are:
1st East 2, 3 1st Parker A (5th)
2nd Parker B (5th) 2nd Parker 7
3rd West 3 3rd Parker 3
4th East 1 4th Parker 4

Teams in the women's playoffs were not available.

So far the only undefeated teams are 2, 3 East, and 1, 2 Jenkins.

In the Men's football skills competition, the punting contest was won by Charles Newton, the passing winner was Joe Crowder, Nick McKeown won the place kicking contest; while Terry Smith was first in the kick-off category.

In the women's football skills competition, Debbie Humphrey won all of the events by forfeit.

Steele conceded that the officiating had not been that good for football, but noted that most of the referees were inexperienced. He predicted the officiating to be much improved in volleyball and basketball competitions later this semester.

Steele said the football competition had its good sides and bad sides this fall.

"I was impressed by the student interest in participation in intramurals," said Steele. "the degree of ability was high."

He noted however, that poor sportsmanship was also a problem and one of the disappointments of the season.

Manley Tops Scorers In Hoop Intramurals

By CAROLYN GREGORY

The intramural basketball games were a total success," according to Coach Colin Steele. With 20 teams competing head to head, he termed it "a very exciting season."

The Hoops American League was won by First East, the Hoops National by First West North, and The Hoops Anywhere by Second Belk.

The final in the Mens League was Basement Parker who defeated Seventh Parker.

The leading scorer in Mens intramurals was Mike Manley of Basement Parker with a 37 point average per game. Followed by Herbert Potter with a 21 point average. Top women's scorer was Nancy Fleming with an 18 point average.

Coach Steele would like to compliment his officials for doing such a fine job. He cited Dean Singletary, Herbert Potter, Delbert Foust, Fred Banks, Tommy Jacobs and Marvin Hicks.

Steele also thanks all the scorers and timers who helped make the season a success.

Racquetball intramurals were to be held March 19, 20, and 21. Details for this and softball were to be announced after spring break.

Wrestling intramurals will be March 26 followed by weightlifting March 30-31.

Categories for weightlifting will include bench press, military press, and clean and jerk. Weight classes for wrestling are to be announced at a later date.

The intramural department is developing a Racquetball ladder. All interested persons should contact Coach Steele at Askey Student Center for complete information.

Open Administration Pledged By Atkinson After Landslide Win

By HARRY PICKETT

Sharee C. Atkinson of Dinwiddie, Va. is president of the Student Government Association here at Chowan. The blue-eyed blonde was elected by the campus student body last March, when she defeated Steve Laney of Charlotte by a decisive margin.

Atkinson, who is the first female student body president since the 1974-75 year, was a Dean's List student last year, majoring in Pre-Engineering. She is also a member of Phi Theta Kappa's Iota Delta chapter, a national junior college scholastic honor fraternity.

The executive said last spring that she would strive to serve this year's student body "without any conflict of interest." She went on to say she would "represent" and "inform" the students of the SGA's various activities and explore the possibility of revising, if needed, the current SGA Constitution (last year's legislature revised this year's version).

Last year's election, according to then SGA president Mike Burke, was dominated by Atkinson-supported women. The school's females turned out in large numbers to offset Laney's large percentage of the black vote.

Burke said the voter turnout was probably the largest in Chowan's history. He said 500 students voted, compared to approximately 300 in the 1979 when he sought the head job. "The increase in the black turnout was a big factor in the results of the election."

Darlene J. Keene of Aboske was one of two blacks elected. Keene defeated Jeffery D. Prillman of Greensboro in the vice presidential race, after delivering an inspiring and sincere speech to fellow Chowanians. Keene noted that she was new to the political scene, but offered that all great politicians had to "start" somewhere.

Ann W. Kellam of Onley, Va., Diane LaBreaux of Virginia Beach and Kathy DeHart of Stoneville all ran unopposed. Kellam will hold down the office of secretary. LaBreaux treasurer and DeHart will handle the historian chores.

Freddie Davis of Morganton was appointed by Burke to fill the office of auditor.

Legislature

The SGA legislature consists of students representing the various dormitory floors on campus. One student is selected from each hall to act as a representative of all its residents, generally reflecting the opinions and feelings of his constituents.

The primary objective, inevitably, is to provide entertainment for the campus community. Money allocated from the business office serves as the funds for movies, dances, trips, Parent's Day, Homecoming and Spring Festival. The SGA also gives loans to clubs and organizations in an effort that they may grow and develop into strong representatives of the school.

Half of SGA Funds Spent In First Month of Term

By GREG BASSETT

One month into the new school year, the Student Government Association has spent approximately half of its first semester budget.

According to figures released at the SGA's regular Monday session on September 10, the student organization has \$6,741 left of the \$12,000 for the entire year and divided it between semester.

SGA Treasurer Diane LeBreux noted that last year's SGA left a debt of \$624.63, thus making the 1980-81 SGA begin the semester with \$11,375.37.

A breakdown of SGA spending shows that the group has spent \$1,010.13 in weekly movies, \$1,075 on special events such as Martha, the Frisbee Dog and the magic show and \$925 on the band "Kick."

The SGA also spent \$1,500 for "Threshold," the band that was obtained to perform for Homecoming. However, other Homecoming expenses including the cost of the film "Animal House" have not been deducted from the \$6,740 balance figure.

President Sharee Atkinson estimated at the meeting that nearly \$3,000 would be spent on Homecoming alone.

Rescue, Fire Plea

After citing the many ways they provide service to Chowan students, Chet Hill of the Murfreesboro Rescue Service and Charles Watson of the Murfreesboro Fire Department asked the SGA to "consider" giving \$250 to each of their respective organizations.

The two outlined their services to the college and the community, noting that they stand by at all football games, help coordinate and conduct campus fire drills, treat first aid and provide free ambulance service.

Watson said the fire department would need \$15,000 to operate in the upcoming year. He added that the \$500 gift to the two departments would have special meaning, having come from the Chowan students themselves.

"We could have gone to Ben Sutton," Watson said referring to the college's business manager. "But we're coming here to ask you."

Watson, who serves as Chowan's assistant director of development as well as being a volunteer fireman, asked the student body to "keep us rolling and keep us ready."

SGA vice president Darlene Keene suggested that the student association organize a drive to raise money for the departments.

but Parker Hall's Dorm Council president, Jeff Pishner, recommended the measure be tabled and discussed at a later date.

Miss Atkinson agreed the gift question should be tabled, saying it is something she would like to check into first.

"The money really should come from somewhere else," said the president. "I think there is another fund it could be gotten from."

Festival Funding Asked

Joe Mayes, a student representing college band director Bob Brown, asked the SGA to sponsor Chowan's annual band festival. In past years the SGA has not funded the event, but this year it was recommended the SGA sponsor it.

Mayes said the total cost for the day-long event would be \$1,200, but a private source has provided \$800, leaving a \$400 gap to be filled.

Mayes noted that the event has filled the football stadium with both local townspeople and college students in past years. He also stressed that the band festival is put on by the college itself and not the music department.

Mayes hinted that the November 8 festival could be canceled if the SGA money was not forthcoming.

Additional Open Dorms To Be Sought by SGA

By GREG BASSETT

Chowan's Student Government Association is considering a move that would push for open dorms on a regular and more frequent basis in the campus' seven resident halls.

The effort to push for open dorms was discussed at the body's regular meeting November 10, and was brought up by SGA President Sharee Atkinson.

Miss Atkinson said she would like to see dormitories open to both sexes every Thursday night, but conceded that the specific arrangements would have to be worked out before the idea could be submitted to the administration.

Two years ago the 1978-79 SGA received approval for an open dorm policy that allowed visitation each Thursday, but the visitation soon got out of hand and was short-lived. Finally, college President Bruce E. Whitaker took away regular open dorm privileges.

Then last year the 1979-80 SGA, under the direction of Mike Burke, proposed a similar open dorm policy which the administration immediately rejected.

"This is going to take a lot of planning," Miss Atkinson told the student body. "Hopefully, nobody is going to get caught and screw it up for us," she said, if the dorm policy can be approved.

SGA Representative and Parker Hall Assistant Head Resident, Bennie Bridgewater, noted that the open dorm policy failed two years ago because both male and female dorms were open at one time.

"RA's were not very happy about it because they couldn't go to the other dorms," said Bridgewater, "they were stuck watching the dorms."

He suggested that some sort of alternate arrangement should be tried so that female dorms would be open one week and male dorms the next.

Miss Atkinson said the SGA would have to get together with all of the dorms' head residents and RA's and try to draft a letter to the administration sometime after Thanksgiving.

"We have to have enough people behind us in order to get it approved," Miss Atkinson said.

Canoe Repair Sought

George Welch, a member of the schools' Outing Club, approached the SGA for the second time November 10 to ask that the student body do something to replace or repair the school's three canoes which he said were in "desperate shape."

Welch said the canoes and paddles are practically "useless" because they can't be taken off campus by the students.

Miss Atkinson suggested that Welch get some prices on new canoes and make a presentation at the next meeting.

Welch said a "decent" canoe would probably cost about \$400 and agreed to bring details to a later meeting.

Attendance a Problem

Poor attendance at recent SGA meetings has become a bit of a problem for the body.

Less than half of the body's members attended the November 10 meeting. At a special meeting held on November 17, so few people attended that the body could not vote on any measures.

Candidate Lack Postpones SGA Elections

By LYNETTE FARRELL

The Student Government Association elections, originally scheduled for March 18, have been postponed until a date to be set later.

SGA President Sharee Atkinson said the action was taken because only one candidate signified intention of running for office.

Stressing the importance of having a functioning student governing body, Atkinson asked students

"Do you want to lose your privilege to select campus activities and the right to voice the opinion of the student body? Think about it!"

SGA, she pointed out, gives representation to the students and provides an opportunity to plan campus activities.

Currently, SGA has presented a proposal for campus wide weekend visitation, a concert is planned for Spring Festival and West Dorm is planning a trip to Busch Gardens with the aid of SGA funds.

Without a functioning SGA, Atkinson maintains, these could not be accomplished.

Offices for which candidates are sought are president, vice-president, treasurer, secretary, auditor, social co-chairpersons for men and women and historian.

At the Student Government Association Legislative meeting held on February 5 the Treasurer's Report revealed \$12,390.26 in the SGA budget.

Two deductions will be taken from the budget's amount of money. \$3,600 will go towards the cost of the movies and \$1,000 will go towards different clubs.

There will be \$2,500 allotted for expenses before paying for the band at the Spring Festival Concert. These expenses include the cost of public facilities, sound and lights, three extra security officers, tickets, and publicity.

Music will be supplied by Nantucket. Tickets will cost \$4 for students and \$6 for outsiders.

A motion by Mark Douglas to give the Bravettes \$200 if they leave their pompoms at the college and help with the concert was passed.

Freddie Davis' motion to give the soccer team \$200 if they help work at the concert also was passed.

Don Robertson asked for \$200 to help the baseball team with the printing cost of their programs. A motion by Lynn Creech to give this sum to the team in return for help with the concert was passed.

Competitive Honors

New: Renee Currie, Rebecca Hinzman, Lora Jernigan, Christine Kinsley, Jane McIntyre, Charles Mercer, Lorie Nelson, Helen Nicholaou, Julia Riddick, Charles Rockwell, John Harris, Thomas Senif, Keith Singletary, Sandra Springfield, Virginia Taylor, Richard Watson, George Welch, Jennifer Wicker, Stanley Williams, Mike Wilson, Renewal: Denise Allison, Sharee Atkinson, Sharon Banks, Charlotte Boone, Michael Drake, Deborah Gorse, Linda Johnson, William Mackenzie, Teresa Moseley, Donald Robertson, Charles Perry.

Chowan College offers a Competitive Honor Scholarship Program administered by the college's Scholarship Committee. These scholarships are not necessarily based on financial need. However, need is considered as one factor. Primary emphasis is upon the demonstration of academic ability, motivation and seriousness of purpose.

Who's Who

Row 1: Keith Greggs, Ann Moseley, Diane LeBreus, Julie Britt, Judy Belch, Annette Johnson.

Each year a Chowan College nominating committee selects deserving sophomores of above average academic standing, community service, leadership ability and future potential for inclusion in the year's edition of *Who's Who Among Students in American Junior Colleges*, one of the most prestigious awards a junior college student can receive. Chowan students receiving the honor are presented a certificate and become eligible to use the reference and placement service maintained for the exclusive assistance of nominees seeking postgraduate employment, fellowships, or admission to various voluntary service organizations.

College Judiciary

Row 1: Mrs. Betty Dunn, Sao Vang, Keith Greggs, Mrs. Betty Batchelor, Lisa Huffman. Row 2: Kirk Byerly, Mrs. Brownie Stancil, Mr. Charles Paul, and Mr. Dwight Collier.

The College Judiciary Council was formed this year by merging the faculty and student judiciary committees. The council rules in cases involving violations of Chowan College policies. The board is made up of five faculty members and five students.

Glimpses of days gone by . . .

Photographs appearing on these pages were made by the late Joel C. Holland of Murfreesboro on July 5, 1949, just two years after the college re-opened from being closed during World War II. The negatives were found earlier this year by Mrs. Holland, who donated them to the Murfreesboro Historical Association. They are reproduced here with the permission of Mrs. Holland and the local historical group.

Another view of McDowell Columns as it appeared in 1949 with a better view of the "East Wing." This portion of the building was removed in the mid-1960s. Prior to the construction of Whitaker Library, the "East Wing" housed the library in addition to a cafeteria and classrooms.

This photograph was made from in front of McDowell Columns and depicts the roadway which approached the building. The area is now used as a parking lot and the three residence halls for men.

A shot from what is now center campus shows the old "President's Home" which stood in an area now occupied by Robert Marks Hall. Also noted in the photograph is one of the rose arbors.

Historical McDowell Columns is shown as it appeared in 1949. On the left, the old ivy-covered "East Wing" may be viewed along with one of the cottages and the bell tower. The Columns building was then painted blue and white.

"Pine Walk" as it appeared in 1949. This photograph was made in the area of the present "President's Home". Many of the pine trees remain to line the paved walkway.
